Open Invitation to Suppliers

10am to 1pm November 10th 2017 Telford

New £multi-million investment planned for NGA broadband in Herefordshire, Gloucestershire, Shropshire and Telford & Wrekin.

This event is a must for any suppliers interested delivering small scale community networks in the final 5% of rural areas.

The event heralds a major ITT expected in early 2018 funded by the European Regional Development Fund.

Places limited, early booking recommended

Contact ed1@herefordshire.gov.uk to book a place
Marches Growth Hub, Telford Innovation Campus, Priorslee, Telford, TF2 9NN

Attendance will give you:

- *The chance to meet the team involved and receive a comprehensive briefing on the project*
- *Insight into the communities that have been selected to participate*
- *The opportunity to influence the procurement approach*
